

The advertisement banner features a dark background with a grid of various audio effect icons. At the top center is the MeldaProduction logo, a stylized red and white mountain peak. Below the logo, the text "MTotalFXBundle" is displayed in a large, white, sans-serif font. Underneath, a smaller line of text reads "Turn your computer into a professional studio!". A paragraph of descriptive text follows: "MeldaProduction MTotalFXBundle is the ultimate collection of effects, and it currently contains 110 of them, including dynamics processors, equalizers, modulation effects including chorus and phasers, reverbs, stereo tools and analyzers." At the bottom of the banner, there is a price tag showing "Regular Price" and "€ 1 899". To the left of the price is a green "Buy Now" button, and to the right is a "Try For Free" button. The website "VSTHOUSE.RU" is visible in the bottom right corner of the banner.
